## COLONOSCOPY

- Bowel preparation (cleansing) is needed to perform an effective colonoscopy.
- Any stool remaining in the colon can hide lesions or polyp growths and result in the need to repeat the colonoscopy.
- It is critical that you follow the attached preparation instruction sheet specific to the bowel cleansing prescribed for your colonoscopy and particularly the instructions for fluid intake.

### General Information:

- You may take your morning medications as instructed.
- You will be given twilight anesthesia to make you comfortable during your procedure.
- You will NOT able to drive home after your procedure. Please make transportation arrangements. Failure to do so will result in the cancellation of your procedure.
- Do not wear jewelry or bring valuables.

- You will be asked for your photo ID and insurance cards upon registration.
- You are to wear comfortable clothes, consider bringing slippers.
- Every effort will be made to keep your appointment at the scheduled time, but in medicine, unexpected delays and emergencies may occur and your wait time may be prolonged. We give each patient the attention needed for his or her procedure.
- Hospital admission may occur in the event of medical need.

#### **Billing Information**

If your insurance has changed since your appointment was scheduled, please contact us immediately.

Patient with insurance questions, regarding your benefits (deductible, co-insurance, co pays, etc.) are directed to call your insurance company, by contacting "Member Services" which is located on the back of your insurance card.

Since it is impossible for the billing department to know prior to your exam, (possibly remove polyps, take biopsies, dilate the esophagus, etc.) we cannot accurately quote your deductible amount etc. We regret the inconvenience, but, the math is out of our hands. Patient eligibility is verified by the billing company from the insurance provided by either the patient or the ordering physician.

If further assistance is needed you can contact the billing department by calling 724-437-8840.
