

Allegheny Regional Endoscopy
810 Valley View Blvd. Altoona, PA 16602
Front desk: 814-946-5469 Fax: 814-946-4970

Your colonoscopy is scheduled on:

Sutab 2-day Prep Instructions

- Avoid iron supplements for 5 days prior to your procedure.
- Avoid eating whole-grain bread/cereals with nuts/seeds and corn for 5 days prior to your procedure.

2 days before your procedure:

- Begin the low-residue diet (see attached page) first thing in the morning.
- At 5:00pm, mix a 7-day supply of Miralax with 32 ounces of Gatorade. **NO RED OR PURPLE.** *If you are diabetic, please use Gatorade Zero.* Drink the entire 32 ounces at your own pace, throughout the evening. Once finished, you may continue to drink clear liquids (see list below).

1 day before your procedure:

- Consume *clear liquids only* today (see list below).
- At 3:00pm, take 2 Dulcolax tablets (5mg each)
- At 5:00pm, open 1 bottle containing 12 tablets. *Using water*, fill the provided bottle to the “fill line” (16 ounces). Swallow each tablet 1-2 minutes apart so that all 12 tablets *and* the 16 ounces of water are consumed within 15-20 minutes. Once this is complete, drink 2 additional 16-ounce bottles of water over the next 1 hour.
- Continue to consume *clear liquids* throughout the evening.
- *6 hours before your scheduled procedure time*, open the second bottle containing 12 tablets.
- Repeat the same steps as above, including consumption of the 2 additional 16-ounce bottles of water, but *be sure to complete everything within 1 hour this time.*
- You may continue to consume *clear liquids until 2 hours before your scheduled procedure time.*

Notes

- It may take a few hours for the prep to start working.
- It is normal to feel very full or bloated during your prep. *If you experience nausea and/or vomiting, wait 30 minutes before resuming prep/liquids. If vomiting does not disappear once you begin to move your bowels, please call us immediately for further instructions.*

ACCEPTABLE CLEAR LIQUIDS

Water Gatorade Jell-O Kool-Aid Broth Popsicles
Lemonade Apple juice White grape juice White cranberry juice Soda (all)
Black coffee (no added cream or sugar) Iced tea Hot tea (no added sugar, honey)

Do not consume any liquids which are red or purple in color

Colonoscopy and Anesthesia

The gastroenterology and anesthesia teams at Allegheny Regional Endoscopy welcome you to our facility. Our intention is for every patient to have a pleasant experience while visiting. For this to occur, it takes teamwork from not only our experienced staff but also from you, our patient. **It is especially important that you read this information in its entirety and call to speak with us if you are unsure of any instructions. Failure to comply with the below guidelines could result in the delay and/or cancelation of your procedures without question.**

- **YOU MUST** have a driver to sign you out of recovery after anesthesia. **You cannot use UBER, LYFT, Healthride or MediVan.**
- **You may have CLEAR LIQUIDS up to 2 hours before your designated arrival time at our facility and no later.**
- Please refer to the prep instructions on the front of this sheet. **DO NOT follow pharmacy instructions.**
- **No alcoholic beverages are permitted during colon prep OR after midnight on the night before procedures.**
- **CHEWING TOBACCO PRODUCTS, SMOKING, VAPING AND INHALATION OF MARIJUANA** (medical and recreational) **ARE PROHIBITED** after midnight, on the night before your procedures. You should also avoid hard candy and chewing gum after midnight.
 - **All oral piercings** must be removed before all procedures. **NO EXCEPTIONS!**
 - **All stimulators** (bladder, spinal etc.) should be turned “off” or placed in “surgery mode”.
 - If you have been prescribed **Phentermine**, you must hold this for 7 days prior to your procedure.
 - If you have been prescribed **Ozempic, Trulicity, Bydureon, Byetta, Victoza, Adlyxin, Wegovy, Mounjaro, Zepbound or Rybelsus**, you must hold these for 24 hours (if oral) and 7 days (if injection) prior to your procedure.
 - Please refer to the personalized medication instructions given to you at your office visit. **It is especially important to take medications for blood pressure and heart function the day of your procedures.**
 - **If you experience any of the following between the day of your office visit and the day of your procedure, please notify us immediately:**
 1. **A change in health status**
 2. **an ER visit/hospital admission**
 3. **testing for your heart, lungs, brain**

*Please call 814-204-0633 with any procedure questions.

*Please call 814-242-5976 with any medication questions, health updates or anesthesia concerns
