2-Day Colonoscopy Preparation Instructions-AM

- A responsible adult **MUST** accompany you to and from your colonoscopy. We ask that your driver remains in the building or close by the facility. For afternoon procedures, drivers **MUST** be available to pick you up no later than 4:30pm.
- We **WILL NOT** discharge you after the procedure to a cab, bus, UBER/Lyft, or other transportation services without having a responsible adult with you.
- If you do not have a responsible adult to accompany you and drive you home, your procedure will be cancelled and/or rescheduled.

Preparing for your Exam: What to Bring

- A list of all medications you are taking, including over the counter medications, vitamins and supplements
- If using inhalers for asthma, please bring them with you
- Your insurance card and photo ID

Blood Thinners/Anticoagulation

- If you are on an **anticoagulant/blood thinner** (other than Aspirin) our nurse will call you with instructions after contacting your prescribing physician. **If you have not heard from our office 1 week prior to your procedure, please contact us at 610-431-3122**

Medication and Other Instructions

- **STOP** Iron supplements for 1 week prior to the procedure date (multi-vitamins are OK)
- **DO NOT** take water pills/diuretics on the day of the procedure (HCTZ (Hydrochlorothiazide), Lasix (Furosemide), Dyazide, Diovan HCT (Spironolactone))
- **CONTINUE** all prescribed medications unless instructed. For example, heart, blood pressure, thyroid, seizure and/or anxiety medications **CAN** be taken the morning of the procedure with a sip of water 2 hours prior to arrival time
- If on Effexor, **STOP** the medication **1 day before the procedure**
- **ALL weight loss medications (GLP-1), certain diabetic medications (SGLT-2) and some cancer treatment medications MUST be held prior to procedure. Please contact us if you have not received instructions. Failure to hold these medications will result in the cancellation of your procedure**
- Diabetic patients:

- **DO NOT** use any form of cannabis (weed) 12 hours prior to your arrival time
- **MUST REMOVE ALL** facial piercings prior to arrival for the procedure

Prep Kit / Prep Supplies

For your convenience, a Colonoscopy Prep Kit can be purchased at the US Digestive Health – West Chester office. Insurance does not cover the cost of the Prep Kit, which may be purchased for $40.00

You may purchase the prep kit supplies on your own at the store. We recommend purchasing these items at least 5 days before your procedure. Those supplies are:

1. MiraLAX- Purchase Two (2) 8.3oz bottles. It is OK to purchase the generic
2. 128oz of either Gatorade or another electrolyte drink (i.e. Propel, Powerade) No **Red or Purple**
3. Four (4) Dulcolax Laxative 5mg tablets (generic Bisacodyl is acceptable)
4. Two (2) GAS-X 125mg tablets (generic Simethicone Chewable is acceptable)
